Corpus Christi is a time of celebrating our First Communicants

Overview of Carpet of Flowers

Pictures depict carpet of flowers However, after Communion a procession leads the first communicants and the congregation (which walks over the carpet of petals) out of the Church to walk around the local area. The procession led by Priests carrying the Cross and Holy Sacrament, is an old tradition and way of "Witness" of Church Members amongst the wider community in the area. Witnessing the Christian faith.

Corpus Christi and the carpet of flowers has been celebrated at All Saints Notting Hill since Fr Twisaday (1932 – 1961).
