

Public worship resume in our churches - Sunday 5th July

From Sunday 5th July public worship may resume in our churches. This is a wonderful thing and I know we are looking forward to being able to worship again. You should only attend worship if it is safe for you to do so. Numbers in each church are limited to 40 people and for that reason there will be an additional Mass at All Saints on a Sunday. Please remember the weekday masses are often quieter. Please do follow the guidance of the priest and stewards at each Mass as there will be further changes.
